OUR MAIL OVERFLOWETH

BANGIN' IN THE BOOKMOBILE

I wheeled the big truck out of the public library parking lot and headed for my favorite neighborhood. My hands gripping the oversized steering wheel, I whistled merrily, feeling like the luckiest librarian in the world.

Here I was, enjoying a leisurely drive on a beautiful autumn afternoon; while my co-workers were confined to a circulation desk inside the stuffy library.

They were jealous, of course. And who could blame them?

Driving the bookmobile was a choice gig. All of my colleagues had applied for the job. The day I had been offered the coveted position was the best of my professional life.

Now, entering the fringes of the university district, I eased up on the gas, looking this way and that for potential patrons. The sidewalks teemed with students.

I observed them with a bittersweet sense of nostalgia. Ten years removed from the collegiate life, I had yet to forget the joys of higher education. I often longed for those bygone days, wishing that I could once again experience the freedom and relatively carefree existence of the typical coed. Still, it was nice to be a financially independent adult with a meaningful and rewarding career.

I parked the bookmobile in the center of campus. The university library was great for serious research materials, but sorely lacking when it came to entertaining fiction. That's where I entered the picture, supplying students with popular and, more often than not, downright trashy novels.

I was a big hit with the English majors; most of whom had gotten their fill of the classics, and wanted

Naughty Eva Notty...

Forget the bedroom guys. I think the best place to fuck is in the kitchen, in the daylight. Almost all of my first time fucks have been that way. They say that a way to a man's heart is through his stomach. Well, I took that principle and decided the quickest way to a woman's pussy is through her stomach! How? You may ask. Well, I found that a few well made recipes can get her to shed clothes, and her inhibitions pretty quickly. I'm writing this because Eva and her kitchen layout reminds me of one of my favorite conquests. Both she and the food was Italian. Yummy!

— John F., Springfield, IL

nothing more than to dive into a juicy read brimming with sex and violence. I was their literary pusher, in a sense, satisfying their craving for the kind of fare their stodgy professors wouldn't have been caught dead reading.

I provided a valuable service, filling a void.

In more ways than one . . .

The unmistakable sound of urethane wheels gobbling concrete brought a smile to my face. Seconds later, Stella rolled on to the scene atop her skateboard. Book bag strapped to her back, short shorts exposing her long slender legs, she exuded a most enticing California cool. We made eye contact and exchanged a smile as she entered the bookmobile. I worked extra fast to meet the needs of the student-patrons who had arrived beforehand; as I was most eager to interact with Stella, my all-time favorite patron.

"Business is booming," she said when the others had cleared out.

"English majors," I told her. "They can't get enough."

Stella was a Psychology major. But she loved trashy books all the same. She unzipped her bag, produced

three titles, and handed them over. They were late, as usual. And I cancelled her fines, as usual.

"It's great to see you, Stella. I missed you."

"It's only been a week," she replied.

"Too long."

She perused the shelves, plucked a book, read the jacket, and returned it. I was getting excited just watching her. She knew it, too. The cramped interior of the bookmobile brought us close together. I could smell her, a heady mix of sage and dried sweat. My pussy moistened.

"I got a new toy," she said. "Want to see?"

"Of course," I told her.

Stella reached into her book bag, pausing for dramatic effect. She loved to tease me, tease and tantalize.

lips. She writhed, her breath becoming ragged as I serviced her cunt with increased urgency. Stella gasped when I prodded her clit with the tip of my tongue. Her gasp soon became a moan when I suckled and nibbled her turgid love button. She placed a hand atop my head, running her fingers through my hair, using the other to massage her small, perky tits.

Still servicing her clit, I slid a finger into her asshole, plunging my digit in and out with increased speed, faster and faster. The one-two punch of my mouth and finger had the desired effect. Stella came with a protracted spasm, filling the bookmobile with a high-pitched wail, pure music to my ears.

Having gotten off good and proper, Stella focused on returning the favor. I undressed hastily while she secured the strap-on dildo around her slender waist.

"Assume the position," she said, moving behind me as I climbed atop the armchair. The plush furnishing provided cushioning for my knees as I faced the backrest and lowered my head, angling my back and raising my ass for Stella's new toy.

She teased me in her usual fashion, nudging my pussy with the dildo's bulbous glans. Getting hotter and wetter by the second, I panted with urgent need. Unable to resist, I lowered a hand between my legs and rubbed my pussy.

"Do it, Stella," I uttered breathily. "Fuck me, sweet-

She got off on flipping the script, gaining control—if only temporarily—over an authority figure/older woman. I was more than happy to play along.

Finally her hand emerged from the bag. It was clutching a strap-on dildo. I regarded the toy with a wide smile.

"Shall we play?" Stella asked me.

I closed up shop and cruised to an out of the way spot on campus.

Climbing out of the driver's seat, I saw that Stella had already gotten undressed. My eyes devoured her lithe, youthful body as she claimed the bookmobile's only piece of furniture, a stuffed armchair pushed in the corner beside a floor lamp. She lay back, draping one leg over the armrest, opening herself for me.

I squatted before her and buried my face between her legs. Stella tasted wonderful. Her pussy was closely shaved. I licked and lapped and nibbled on her pink

ie."

She relented, pushing the plastic phallus inside me, stretching my cunt with its enormous length and girth. Stella gripped my hips and thrust her pelvis, reaming me repeatedly. The dildo was harder than a brick.

And she knew how to use it.

I wondered if I was the first to get fucked with the toy; or if Stella and one of her classmates had already incorporated it into their playtime. I knew next to nothing about Stella's daily life as a college student. Did she see other women? Did she have a steady girlfriend? I didn't know and, truth be known, couldn't have cared less.

With my orgasm seconds away, I surrendered to the delicious sensations radiating throughout my body as Stella pounded me relentlessly.

Sated and dressed, I offered to drive Stella to her dormitory but she declined.

I would owe him big time for this one. Jeff would provide the scares, making plenty of "bumps" in the night to turn her on. A few minutes inside the place listening to his ghostly racket and she would be hornier than a virgin bride on her honeymoon.

"I'd rather skate," she said, wielding her board. "It's a beautiful day."

Her book bag was filled with new books, a great comfort to both of us as we knew we would see each other again; same time, next week. Ours was a pleasant routine.

Sitting behind the wheel, I watched her skate across the street. To be young again, I thought, marveling at her grace, her flexibility and sense of balance; even as I thanked the stars to be done with exams, research papers, and boring lectures by professors who didn't know the first thing about life as most of us lived it.

—Nina S., Seattle, WA

THE WILLIES

Rickety wood groaned as Judith and I climbed the

porch steps. Nails, long-since rusted, protruded from rotten planking, threatening to pierce the soles of our shoes.

"Watch your step, Judy," I told my girlfriend.

"Man," she said, "this place gives me the heebie-jeebies."

"You know you love it, babe."

The Thurston place was a local legend. For as long as I could remember townsfolk had swapped stories about the haunted mansion. Old Man Thurston, having discovered his wife in bed with their caretaker, had killed both of them in a murderous rage. This was true, the story easily verified by combing through old newspapers at the library. But the supernatural angle—the far-fetched tales of vengeful spirits inhabiting the place—was silly claptrap.

Ghosts, my ass!

Still, I had used the spooky legend to my advantage. Judith was a real fright flick freak; she absolutely adored scary movies, relishing the rush of terror. Fear, I knew from experience, was her preferred aphrodisiac; nothing, and I mean nothing, turned her on like things going bump in the night.

What better place to take her on a Saturday night than an old house purported to be haunted, especially one currently inhabited by Jeff Stovall, my longtime friend and wingman extraordinaire? I would owe him big time for this one. Jeff would provide the scares, making plenty of "bumps" in the night to turn her on. A few minutes inside the place listening to his ghostly racket and she would be hornier than a virgin bride on her honeymoon.

Presently standing at the peeling front entrance, I turned the ancient brass knob and pushed open the door. The hinges creaked even louder than the porch steps, prompting Judith to pull me close as we paused at the threshold. I turned on my flashlight. The yellow beam bored through the darkened, cobwebby interior.

"Wow," Judith intoned with awe. "A real haunted house!"

"Ladies first," I said.

No sooner had we closed the door and ventured into the heart of the condemned manor than Jeff commenced to rapping on the upstairs walls, and shifting old furniture across the floor. As expected, the racket worked its magic on Judith. She was scared shitless, scared and excited at the same time.

"It's Mrs. Thurston," I told her, "and the caretaker" "Far out!" she bellowed.

She clutched my arm, leaning against me for support as we crept down the hall. The flashlight beam stabbed the dark. Mice scurried at our approach. Jeff laid it on thick, effectively mimicking the sounds of a genuine haunting.

Until he sneezed!

Not once, not twice, but three times in succession!

It was the dust, I knew. Jeff's blasted allergies had betrayed him. And me. Judith was no idiot. She recognized the sneezes as Jeff's.

"Ghosts, huh?" she remarked dubiously, then raced up the stairs. It wasn't long before she returned with a defeated Jeff in tow.

"Cute, you two," she said. "Real fucking cute."

I shined the light in Jeff's face. "You idiot."

"I couldn't help it, man. All that dust —"

"Yeah, yeah, yeah. Save it, Jeff."

I felt like a real asshole for trying to fool Judith. Figuring our date had been ruined, I looked at her and said, "Come on, Judy. I'll drive you home."

"Home? To hell with that. I came here for kicks, and I'll be damned if I'm going to leave until I've gotten my fill, one way or another. This place isn't haunted," she conceded, "but it's damned creepy all the same. Ghosts or no ghosts, it still makes me wet . . ."

Jeff chuckled. It didn't take an astrophysicist to decipher Judith's intent. Her body language said it all. The ghoulishly gothic atmosphere had made her hot and horny. She was down for some three-way action.

Could I share her with Jeff, my best buddy? I stood there in silence, debating the pros and cons. Maybe just this once, I decided.

"Wet, huh?" I commented.

"You bet," she said, already unbuttoning her blouse.

I had extinguished the flashlight and set it aside. Moonlight shining through a front window lashed Judith's face and tits. Hers was a pretty face. And her tits were nothing to sneeze at; unless you were Jeff. Thankfully he had managed to get his allergies under control. As for his cock; well, it had a mind of its own . . .

Judith, having knelt before us, took him in her mouth. She sucked him hungrily, greedily, thrusting her head back and forth. I wasn't jealous, not in the least. The whole thing turned me on something fierce. Heart revving, I jerked my cock with a vigorous pumping motion.

"Just like that, Judy," I enthused. "Suck Jeff's dick. Suck it good."

Her brown eyes regarded me over my friend's tool. She seemed to delight in staring at me while her mouth was stuffed with another man's meat. Still stroking myself, I reached down with my free hand and fondled her tits, squeezing and twisting the creamy, pliant flesh. Her nipples responded to my touch, growing stiff between my fingers.

Judith came up for a breather. She gasped for air, sucking in a great lungful before tending to my needs. She pushed my pumping hand out of the way, taking over with hers. Tugging my prick expertly with one hand, she dipped down and sucked my balls. Her other

hand serviced Jeff, shucking his spit-shined prick. He sighed delightedly.

In time Judith treated me to a proper blowjob. My cock swelled in her mouth, growing harder and harder as the sauce boiled inside my balls. Experience told her that I was about to come . . .

She withdrew and, once again, tugged me with her hand; this while continuing to stroke Jeff. "Oh yeah, guys. I want all that cum all over my face . . ."

Judith got her wish. By the time we were done her face was coated with spunk. And while the ghosts hadn't been real, she had still gotten the willies.

Two of them, to be precise.

Jeff's and mine!

Nikki & Lilly

Lilly has been trying to get Nikki to do the "lesbian thing" ever since they met in class. Lilly's been begging up to this point and thought an offering of wine will convince her. "Just one time." Nikki resolves, "But you have to stop asking." As their clothes are coming off, Nikki finds herself moaning so much that she finds her cum all over the sofa.

CANT WAIT FOR US TO DO THIS AGAIN! 888-596-5664 MUST BE 18 TO CALL

We had to share a hotel room. Soon we were sharing the bed.

Hot Sheets

Her steaming pussy covered my nose and mouth like a mask. Her hips pumped wildly as my tongue probed the depths of her quivering snatch. Her face rolled around on my erect cock as she gasped and moaned and came again.

Kathy has been my best friend for over five years. She's like a sister: always there when I need her; ready to listen. Even my wife trusts Kathy. Until last night, she never had any reason not to.

Kathy is a beautiful woman. She's about my age, in her early thirties, with blond hair. She's five-four and built like a fashion model. We've always been able to talk about anything. She is the ideal best friend. I guess we trusted ourselves too much.

That's what led to that uncontrolled night of lust. We both work for the same company, but in different departments. We met at work and we travel together frequently on the job. It gets very lonely out of town and having someone to talk to is really nice.

We've explored dozens of cities together. We both love sightseeing. Often we've wandered around a strange city late into the night, gawking at the various sights just like two kids.

But this trip was different. We had to go out of town on short notice. I hate the hassle of emergency trips. And the trip was arranged so quickly that the hotel reservations got messed up. Only one room was booked. There was a convention in town, so we had to share the room.

Neither of us thought anything about it. After all, she is like a sister. The room was huge. There were two double beds. I liked the idea of having her to keep me company.

We were so open about our relationship that each of us told our mates about the arrangement when we made our usual check-in call home. My wife teased me

She put her hands under her boobs and pointed them toward me. "You just say that because you're a breast man," she replied. For as long as I can remember, she has teased me about my preoccupation with titties.

about behaving myself with a 'strange woman' in the room. She knew nothing would happen—at least, that's what she thought. Kathy's husband felt the same.

We had dinner in a nice restaurant, explored the city, and returned to the room around eleven. We'd had a few drinks, but neither of us was drunk. We lay on our separate beds and watched the. We were both still dressed.

Kathy made the first move to get ready for bed. She stood and stretched, yawned and put her hands above her head, reaching for the ceiling. I couldn't help but notice how sexy she looked, with her breasts pushing against her soft silk top and the skirt clinging to her shapely ass and legs.

"If we weren't such good friends," I teased, "I could really go for you."

She put her hands under her boobs and pointed them toward me. "You just say that because you're a breast man," she replied. For as long as I can remember, she has teased me about my preoccupation with titties.

As a matter of fact, that's how we met. We were in a company seminar. She had on a top that displayed her mouth-watering boobs every time she leaned over, which she did frequently. She caught me

looking. "Take me to dinner and you can look at them all evening" were the first words I ever heard her say.

We went out to dinner that evening and I watched her boobs the whole time. But there was a spark between us that was more than sexual. I loved listening to her talk. We stayed out late, talking and getting to know one another. We had a hard time staying awake the next day. It was the beginning of a long-term friendship.

Kathy took her hands from her tits and headed for the bathroom. She exaggerated her wiggle as she looked over her shoulder and whispered huskily, "Wanna take a shower with me, Howie?"

"No, thanks." I replied. "I have a weak heart."

We both knew she didn't really want me in the bathroom with her. I lay there watching the news, totally peaceful and relaxed. The running water was unable to drown out her off-key singing. It was nice to have someone in the room with me. I didn't feel the least bit homesick.

Suddenly there was a scream and a loud crash. I sprang from the bed and raced into the bathroom. Kathy had slipped in the tub; the shower was splashing on her body, but she wasn't bleeding. She was a bit shaken up but she seemed to be fine. But just to be safe, I thought I should help her to bed.

I picked her up and carried her to the bed. With her arms around my neck, she hung on like a frightened child. Even while I worried about her, I couldn't help but notice how soft her wet and naked body was in my arms.

I was ashamed of myself, but I have to admit that I had a raging hard-on by the time I put her on her bed. I sat beside her on the bed and patted her hair. My elbow rested on her soft, round tit and before I realized what was happening, the nipple began to stiffen.

"You wouldn't take advantage of a girl in a weakened condition?" she asked, the hint of a smile on her lips.

"You know how I am about boobs," I replied, as I gave the nipple a tiny tweak. Once I had put my hand on her breast, I couldn't seem to move it away. I left it resting on the warm, soft tit and felt the slow, steady rhythm of her breathing.

I sat on the edge of the bed, stroking her boobs for about 10 minutes. Slowly, she began to regain her senses. She insisted that she wasn't hurt, except for her pride and her ass, which received the blow from the fall.

I was relieved that she was not injured seriously. I even teased her about having plenty of padding back there to cushion the blow. She rolled over and asked me to check for bruises. Being naked around me didn't seem to bother her. But it sure as hell bothered me. My dick was rock hard. She lay face down on the bed, her legs spread wide open. I had trouble concentrating on checking her ass. I couldn't take my eyes off of her pussy. It was clearly visible and still wet from the water. The soft, pink lips made my cock jump.

Finally I managed to complete my inspection. There was only one tiny black-and-blue mark. It was just below the curve of her ass and almost on the inside of her thigh. I put my fingers gently on the spot and gave her the damage report.

She flinched a little when I touched the bruise. My hands shook; her tempting pussy was less than two inches from my hand. I could actually feel the heat from her furnace. "Kiss it. Make it well," she purred. My heart stopped. I didn't know if she was teasing or whether she meant it.

My mouth watered at the thought of kissing her thigh, so close to her hot, wet snatch. "Do it!" she insisted. "My mom always said a kiss would make any hurt go away."

Once I realized that she was serious, there was no stopping me. I placed my face over the spot and gently kissed it. The heat from her sweet pussy bathed my face and

the fresh female smell made my head swim.

"Oh, yes!" she gasped. "That feels so good. More," she begged. "Kiss it some more."

Her hips began squirming and the lips of her tempting pussy gaped open as I kissed and licked the entire inside of her thigh. I licked her leg all the way up to her pubic mound. The smoothness of her shaved pussy was soft on my tongue.

The closer I got to her steaming box, the more she squirmed. She was getting hotter by the second and I was ready to explode, but I held off. Kathy was a friend. She trusted me completely. What kind of jerk would take advantage of a girl in her condition?

While I still had the willpower, I pushed myself away and stood by the bed, facing away from her. I was trying to conceal my hardened prick.

"I'm gonna get ready for bed," I said, "before we do something we'll both be sorry for." She rolled over and smiled. She stretched her legs wide. Her pussy was pink and wet, the lips swollen. Her clitoris stood proud and tall, begging to be kissed, to be licked, to be sucked.

I started toward the bathroom to get ready for bed. "Hey," she whispered. "Why be modest? You might as well undress in here. You've seen everything I've got. It's only fair to return the favor." There was a mischievous smile on her face as she licked her lips.

I didn't answer. Instead, I unbuckled my belt and let my pants fall to the floor. My shorts and shirt quickly followed. I was naked, my back to her. My dick still stood straight out. I was embarrassed, but

finally I turned to face her.

Her eyes widened as they homed in on my stiff rod. She licked her lips. "Did I do that?" she teased. I nodded and slowly walked toward her, stopping when my cock was only inches from her face. I was in a trance.

She reached out and cupped my aching balls in her soft, warm hands. She moved her head forward and her tongue lapped up the drop of pre-cum from the tip of my prick. My rigid pole jumped at the touch of her hot, wet tongue and bounced against her nose. "Whoa, boy," she giggled, as her hand gently grasped the shaft and guided the swollen purple head into her ready mouth.

Automatically I moved onto the bed and straddled her face, my cock deep in her mouth and my face over her hot snatch.

I pulled her pussy lips apart and began making love to her slippery clitoris. It was sweet and hot and wet. It actually quivered under my tongue. Meanwhile, her head bobbed up and down on my cock. I felt an explosion coming on.

Seconds later it happened. The first gush of hot cream squirted into her sucking mouth as she locked her knees against my head and began humping wildly against my face. We came together for what seemed like an eternity.

We fell asleep in that position. The alarm clock woke me from the best sleep I've had in years, my face still resting on her soft pussy lips.

I kissed her wet pussy. "Good morning," I whispered. She yawned and kissed the head of my soft prick. "I'm hungry," she said. Then she took the entire length of my limp noodle into her mouth and rolled it around on her tongue. It sprang to life instantly.

I rolled her clitoris between two fingers as my tongue tickled her wet channel. We each had a long orgasm. Then we dressed and went to work.

We've talked about our scene many times. We've told ourselves that what we did really wasn't cheating on our mates. After all, we didn't actually fuck.

I'm afraid that will be just a matter of time, though. Actually, I'm really not afraid. I'm rather looking forward to our next adventure.
